June 2021

Home is an artistic project based on contemporary art, which aims to help humanitarian associations present in Luxembourg (Red Cross and Mir wëllen iech ons Heemecht weisen asbl). It is also for people to acknowledge the Project Alin (Workshop-Language-Inclusion-New technologies) from the Luxembourg Red Cross, plus 10% of the artworks sales will go to this association.

Meet the artists and their artworks every weekend of June 2021.
